E. Yorston, Esq.,

Montreal "Standard".

My dear Mr. Yorston:

I have just returned from Europe, having been in Norway and the Old Country, and am glad to be home after our varied experiences.

It was very good of you to send me copies of the "Standard" and I shall be glad to look through them. As you may realise I have so many local papers to take that I have not much time left for newspaper reading. I congratulate you on the success that you are making of the "Standard", as I often hear about it.

It was a great surprise and sorrow for me to learn of your brother's death. Of course he had been delicate for a long time. In fact I always thought he looked delicate, but I had not heard of the fatal termination of his illness. You have my deep sympathy. When you are writing to your father please give him my kind regards and an expression of my sympathy with him.

With kind regards, I am,

Yours sincerely,

President.

Frederic Yorston, Esq.,

"The Standard",

Montreal.

My dear Mr. Yorston:

Many thanks for the season's greetings with the very effective card that you sent. It was a very happy thought to use it and work it into a Christmas greeting, and your short message is effectively done. It will be, I am sure, a comfort to their parents to know that at this time there are many who will think of their sorrow. Wishing you the season's greetings, I am,

Yours sincerely,

President.
